biography

Born on July 4th, 1974 in Reutlingen, Southern Germany.

From 1995-96 student of psychology and musicology at the University Eberhard Karl Tübingen.

From 1996-2004 student of sound engineering at University of Music Dusseldorf and University of Applied Sciences Dusseldorf. Conclusion in 2004 as a graduate engineer (Diplom Certificate FH). Has worked by then with more than 30 student productions (production sound & sound postproduction) of the Film Academy Baden-Wuerttemberg.

Currently works as an independent production sound mixer, sound designer and re-recording mixer for feature films and documentaries. Andre owns the complete equipment for production sound recording and operates a studio with a professional Protools workstation and 5.1 surround sound equipment.

Previously worked for productions on location in the following countries: Albania, Argentina, Bolivia, Botswana, Chile, China, Germany, France, Greenland, Britain, Lebanon, Mozambique, Namibia, Austria, Switzerland, Slovakia, Spain, South Africa, Tanzania, USA.

Languages: English (fluently) and Spanish (fluently).
